PAN ORIENT ENERGY CORP.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (UNAUDITED)

1) BASIS OF PRESENTATION

Pan Orient Energy Corp. ("Pan Orient" or the "Company") is a junior oil and natural gas company based in Calgary, Alberta, which holds properties in northern Alberta and onshore Thailand and actively pursues opportunities in Asia for the acquisition of exploration acreage and exploration of oil and natural gas.

On April 8, 2005, Pan Orient Energy Corp. (formerly Welwyn Resources Ltd.) acquired all of the issued and outstanding shares of Pan Orient Energy Ltd. This reverse take-over resulted in a change of control of Pan Orient, including the resignation of all of the then current officers and directors of Pan Orient and the appointment of all of Pan Orient Energy Ltd.'s officers and directors to the corresponding positions of Pan Orient. As a result of the transaction, the former shareholders of Pan Orient Energy Ltd. acquired control of Pan Orient.

As Pan Orient Energy Ltd. is deemed to be the acquirer, the consolidated financial statements for the three months ended March 31, 2005, reflect only the accounts of Pan Orient Energy Ltd. Prior to the Reverse Take-Over, the Company had not conducted any operations other than the acquisition of non-producing oil and gas properties and as such its interest income and administrative expenses prior to that date were capitalized as acquisition costs. Included in the financial statements are the accounts of Pan Orient (formerly Welwyn Resources Ltd.) from April 8, 2005, forward.

On October 21, 2005, Pan Orient acquired 92 percent of the issued and outstanding shares of Tiger Petroleum Inc., ("Tiger"), as such the accounts of Tiger are included in the financial statements from October 21, 2005, forward.

2) SIGNIFICANT ACCOUNTING POLICIES

The unaudited interim consolidated financial statements of Pan Orient have been prepared by management in accordance with Canadian generally accepted accounting principles. The interim financial statements have been prepared following the same accounting policies and methods of computation as the financial statements of the Company for the year ended December 31, 2005. The disclosures included below are incremental to those included with the annual financial statements. The interim financial statements should be read in conjunction with the Company's financial statements and notes thereto for the year ended December 31, 2005.

3) DEPOSITS

Deposits are comprised of cash deposits securing standby letters of credit, which are pledged to a seismic contractor and the Thai government. Both relate to the Company's second quarter of 2006 seismic acquisition program.

4) TIGER ACQUISITION

On January 19, 2006 Pan Orient acquired the remaining 8 percent of the issued and outstanding shares of Tiger, which were reflected as non-controlling interest at December 31, 2005. The Tiger shares were acquired by the issuance of 319,163 Pan Orient shares at a deemed price of \$2.68 per share, resulting in an increase to petroleum and natural gas properties of \$528,616 and a decrease to non-controlling interest of \$326,740.

On March 30, 2006 the remaining \$86,162 of outstanding Tiger convertible debentures were retired for cash.
